FUTURES PROGRAM

hyff.org

The Problem

WHAT ARE HIGH SCHOOL STUDENTS MISSING?

Counseling, connections & job
placement in the workforce

Counseling & assistance for
college bound students

The Solution

A ROBUST CAREER & COLLEGE PLANNING PROGRAM

Full time in-school counselors with strong 1:1 relationships

Workforce specialist for connecting to employer partners

College specialist for navigating the road to college

Personalized program aligned to school curriculum & MyCAP

IN-SCHOOL COUNSELOR

- 1:1 Advising
- Goal Setting
- Course planning to meet goals
- Decision making: what's my pathway to a career?
- Constant revisions as student develops
- Referrals to college and workforce specialists

PLACEMENT COORDINATOR

- Guidance and support for career workplace options
- Connections to certificate programs
- Job shadowing (virtual or in person)
- Industry tours
- Resume development
- Internships with MA WBL Plan as available
- Assistance finding a first job
- Follow up with advisees during first year of employment

COLLEGE SPECIALIST

- Guidance with college research, selection, and placement
- Coordination of education requirements
- College visits
- Assistance with applications, FAFSA, and scholarships
- Financial literacy
- Family Engagement

FAMILY ENGAGEMENT

- Goal is to get the parents/caregivers involved
- Direct contact with parents/caregivers
- Facilitate activities with parents/caregivers
- Connect parents with all available family resources
- Build relationships between students, families, and schools

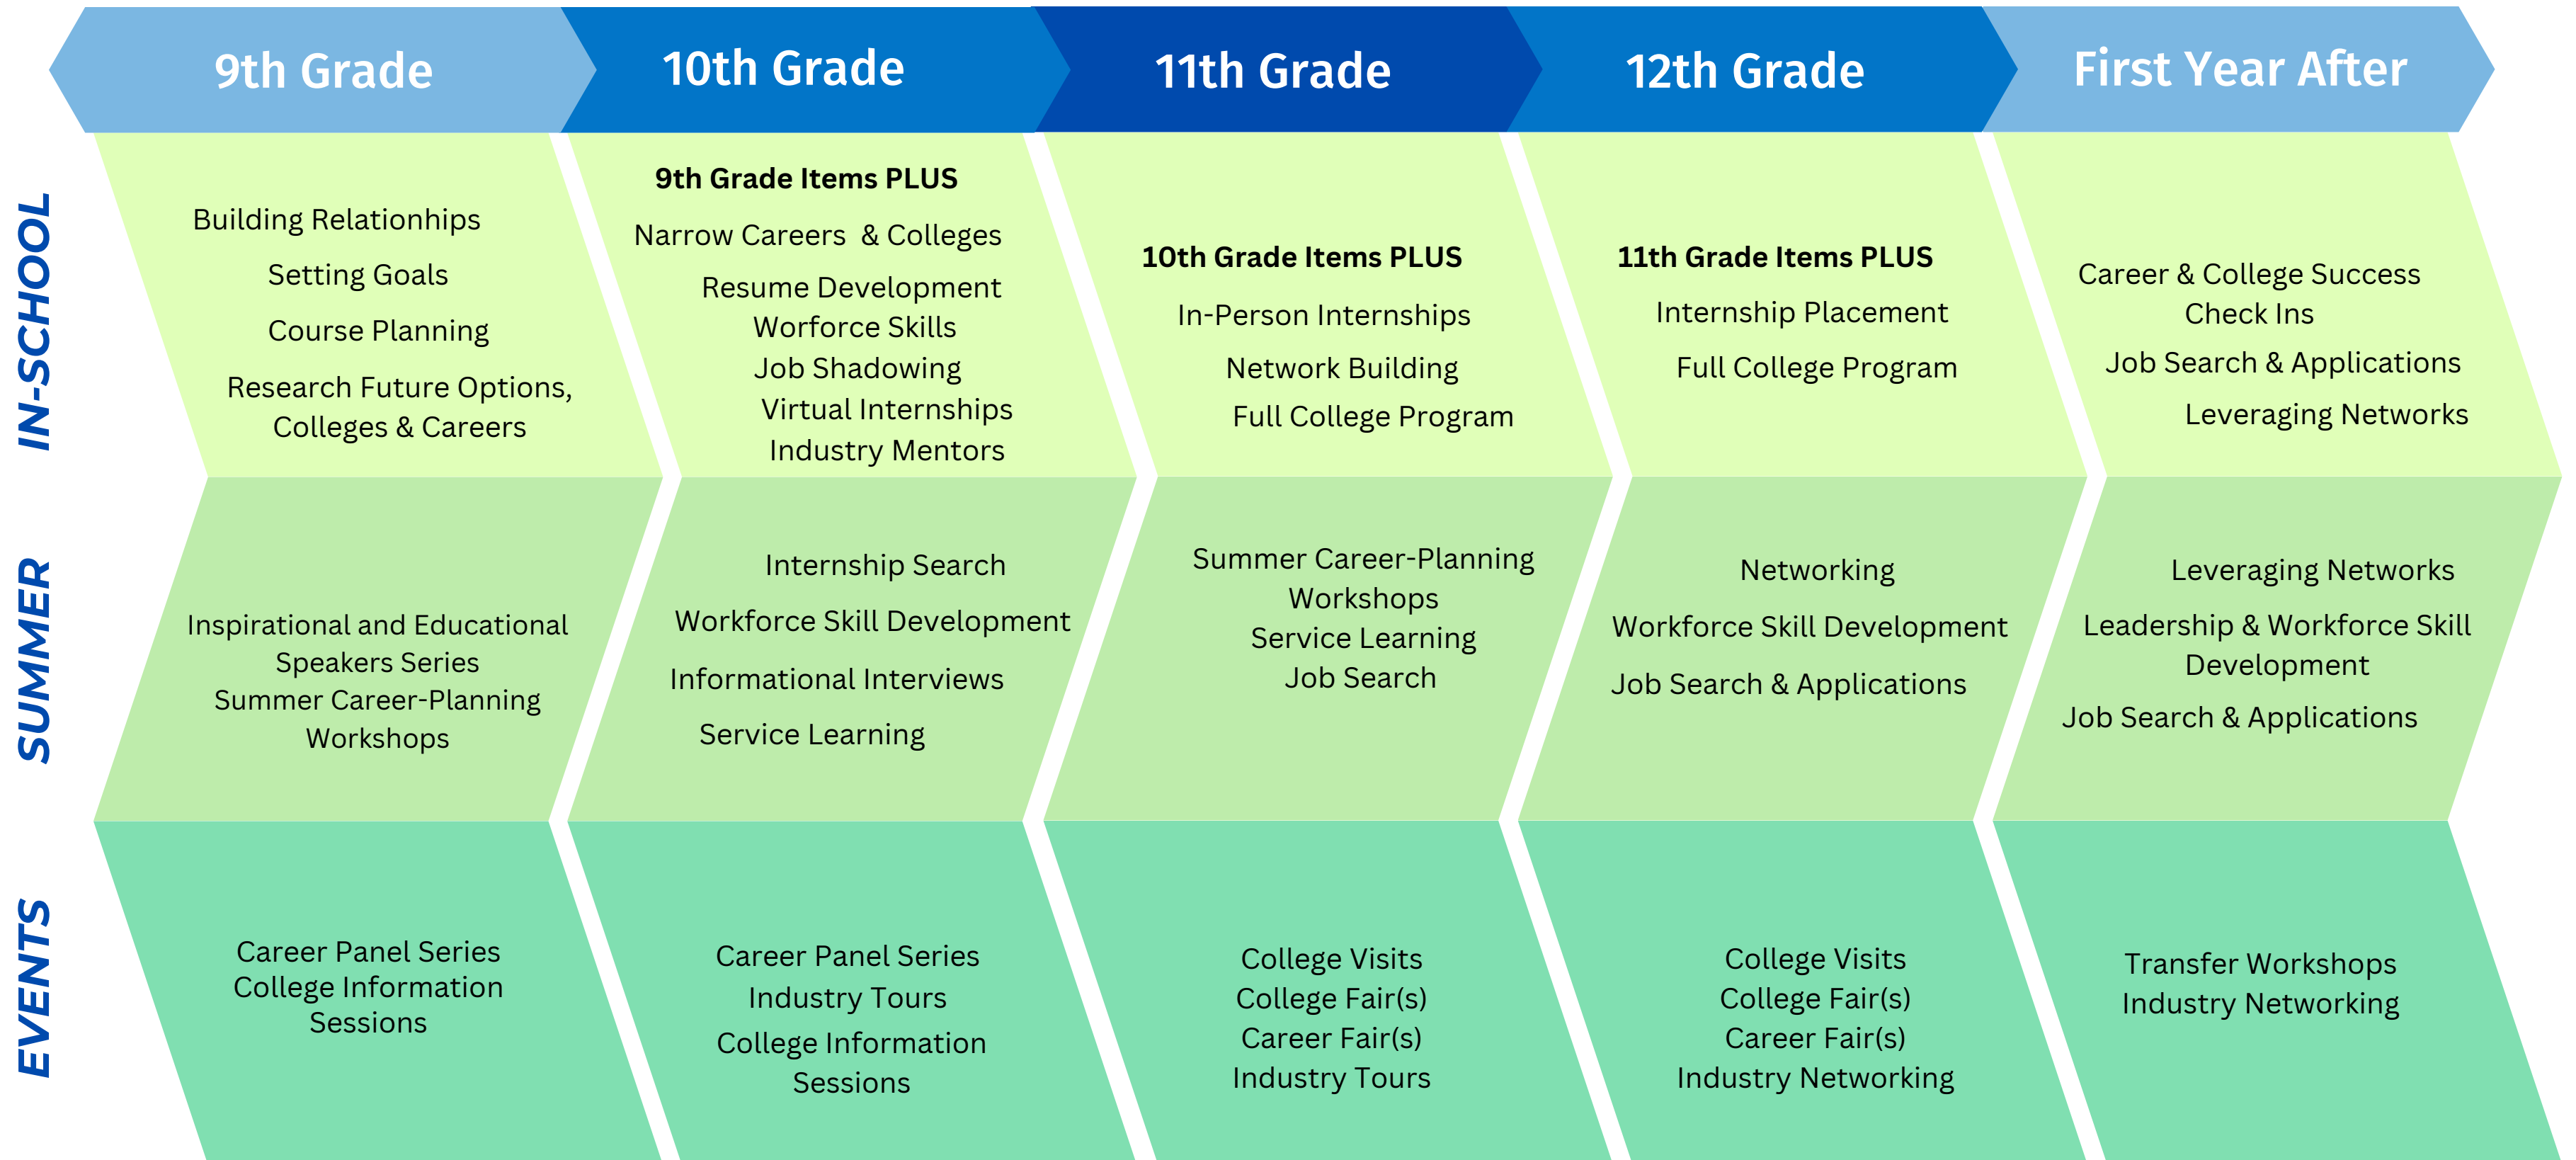

PROGRAM INTEGRATION

Summer Career Planning

- Continues career planning throughout the summer
- Engages more students in career planning
- Individual and group advising
- Continuation and expansion of school-year goals
- Maximizing summer-time availability

FUTURES CONTINUUM
